CARVUS

CRAFTSMANSHIP | CULTURE | TRADITION

Our commitment to this ancient and invaluable craft is woven into the very fabric of our brand, and it is a mission close to our hearts.

We are a boutique business that takes pride in bringing the timeless beauty of handcrafted marble products from the skilled artisans of India to the shores of Australia.

Founded by two individuals with diverse backgrounds - one, a heritage and architecture specialist, and the other, with a strong foundation in finance and economics - Carvus is a testament to our shared passion for blending artistry and functionality to enhance your experience.

MINDS OF CARVUS

MEHER

Meher Bahl, the creative force behind Carvus, brings over five years of industry experience in the architecture, design and conservation field, managing projects of varying scales.

She has a Bachelor's degree in Architecture from India and a Master's in Architecture from the University of Melbourne. Meher seamlessly blends modern design and traditional crafts in the creation of handmade Indian marble bathtubs.

RALPH

Ralph, an engineer and economist, leverages his extensive banking experience in strategy, negotiations, and data analytics to oversee finance and business development for Carvus.

Inspired by the artisans during a transformative trip to Jaipur, Ralph's mission is to bridge ancient crafts and traditions with modern-day society.

HANDS OF CARVUS

Through time-honored techniques, they sculpt raw marble
into breathtaking baths and basins.

Their unwavering pursuit of perfection and an innate
connection with marble's distinctive essence allow us to
bestow upon you an unparalleled legacy of luxury with
each Carvus creation.

Join us in celebrating this noble cause of craftsmanship
and excellence.
